## Fellowship description

Universitair  
Ziekenhuis  
Brussel

- The Clinical Fellowship starts yearly in January and runs for 3 months in Brussels. Prof. Hamdi and his team provide a large experience with broad spectrum of clinical and research filed in breast surgery. It is an intensive and comprehensive module of refinement in both reconstructive and aesthetic surgery. All types of breast reconstruction will be covered including autogenous (pedicled flaps, free flaps and perforator flaps), implant breast reconstruction, and oncoplastic approaches to breast cancer. Various techniques of breast reduction and mastopexy together with implant breast augmentation procedures will be exposed by the different staff members of the department. In addition, the department manage many referral case for revision breast surgery. Fat grafting for both reconstructive and aesthetic is a daily practice. Finally, the fellow will join the multidisciplinary approach to lymphedema with the lymph clinic.
- The MRBS starts yearly in September. It is officially awarded by the Universitat Autònoma de Barcelona. It is organized in association with a faculty of internationally renowned experts. Delivered in a modular format (11 face-to-face modules), this degree allows you to learn all aspects of breast surgery from a highly qualified and dedicated faculty from across Europe. These tutors have been chosen as they have the expertise to provide you with the training needed in order to become proficient in this field. For more information please go to: [www.mrbs.rmes.es](http://www.mrbs.rmes.es)
- Eligibility  
We only accept applications from those who will have fully completed certification of a recognized Plastic Surgery training program or in their last year training.
- Research Opportunities  
The fellowship supervisors are leaders in clinical breast research and there are many opportunities for participating in ongoing research or beginning new research projects.

- Fellowship Funds

The total amount is 17,000 EURO: 3,000 EURO for the Clinical immersion fellowship in Brussels, 13,500 EURO for inscription fees for the Master's degree (MRBS), 500 euro insurance and administrative fees for the Brussels University Hospital.

Now accepting Applications for:  
April 2018
